

Covid Care Centre

@

Don Bosco School, Park Circus, Kolkata

An Initiative by

Our endeavour ...a small step in this crisis situation

Given the unprecedented crisis that has plagued us due to the pandemic and the suffering all around, we decided to do our bit in our own small little way to help people in medical crisis. We have set up a **Covid Care facility of 30 beds** for providing service to patients in need. The Don Bosco School, Park Circus has given us the space and the necessary physical infrastructure within the school premises for housing this centre.

Our aim is to provide best possible care and treatment at a nominal cost

It is a **No profit, No loss venture**. 3 organizations namely **Atma, Don Bosco School, Park Circus & Unigrow Solutions** have joined hands to offer this facility for the patients in need.

Our doctors

This venture will run under the leadership of reputed cardiac surgeon **Dr. Atanu Saha** of Rabindra Nath Tagore Institute of Medical Sciences, Kolkata.

A team of experienced doctors and health care workers will work along with him.

Dr. Atanu Saha

MBBS , MS(GEN SURGERY) , FRCS(EDINBURG) ,DNB(CARDIO THORACIC SURGERY)

Our offering

The centre will treat **moderately ill patients** affected by Covid. Needless to say, more serious patients who need critical care has to be shifted to Hospitals/nursing homes. The details of our services are given below :

- 30 bed Covid care facility
- Round the clock monitoring by Nurse & Health Assistants
- Team of well trained doctors
- Physical visits by Doctor and also facility to do tele consulting
- Medicine administration including steroids
- Nutritious Food supply to patients
- Oxygen administration to patient on need basis
- Facility to collect samples and do diagnostic tests including RTPCR
- Mobile X-ray unit
- Operations compliant to statutory and medical guidelines as given GOWB.
