

DON BOSCO ALUMNI
PARK CIRCUS UNIT (INC)

Make a Difference in the Lives of Unprivileged Girls

WHO : Underprivileged Girls residing in the neighbourhood of Don Bosco School , Park Circus.

WHAT : We (The Past Pupils of Don Bosco Park Circus) are trying to Change Children's Lives through Literacy. We provide children with books and educational resources, so they can discover the joy of reading. We bring literacy support to disadvantaged children who are struggling to read and write. We have been running the Adult Literacy programme at our DBPC school campus since 1998 and running it successfully till today and as we enter the 25th year, we have enhanced the intake of students to 100 from 50, for the current academic session 2022-23. Along with the basic subjects- English, Hindi, Maths, Computer and Spoken English, we also conduct vocational training courses like Embroidery , Tailoring, Fabric Painting, Drawing, Mehendi & Beautician courses.

The current session ('22-'23) Year wise distribution of students are as below :

Year 1 : 23 Girls

Year 2 : 40 Girls

Year 3 : 37 Girls

We envision a world where every one can read & write, with free access to education for all.

LITERACY IS A RIGHT

750 Million People in the World are Illiterate

As past pupils of DBPC, we believe in literacy as the foundation of lifelong learning and education. People who cannot read or write experience difficulties with simple everyday tasks such as reading the label of a medicine bottle, filling in a job application or understanding a traffic sign. When we help someone to acquire literacy skills, we are empowering them to access to better opportunities in life to break the poverty cycle.

HOW : To execute our objective, and reach out to more children and strive to eradicate illiteracy, we need the support of all and make contributions towards the cause.

You have the power to do many amazing things to fundraise for literacy. Your support allows us to deliver our literacy programs and services that lift children out of poverty through literacy.

YOUR IMPACT

How Your Donation Will Help

Every Rupee you raise makes an impact on the education of children who have limited resources to learn to read and write.

Rs 1000 : Cover the cost of Books & Copies for a girl for the year

Rs 3000 :Cover the Tuition fees for a girl for the year

Rs 4730 : Cover the cost for the total expenses for a girl for the year.

100% of your donation brings books, uniform, stationary, child development activities and literacy support to children in need.

The present expenses for a student per year including tuition fees is Rs4730.

Be the gift of literacy today and empower a child with reading and writing skills.
